STEPS 1 → 6

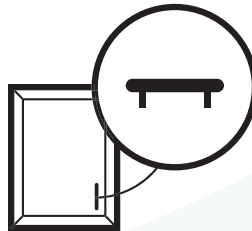

We'll walk you through each step below using **3 guided videos**, **written instructions** and **1 hour of phone support** in case you get stuck!

1

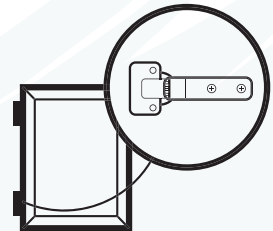

Before uninstalling your doors and drawers, label them for an easy reinstall!

2

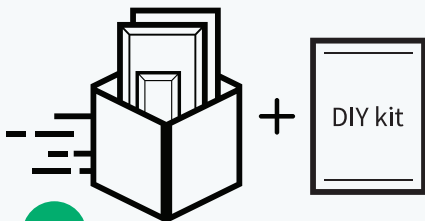

If your doors and drawers have knobs or pulls, uninstall these next.

3

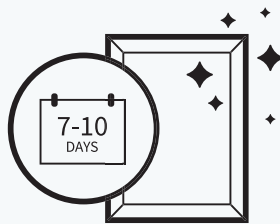

Uninstall the doors, drawers, and hinges.

4

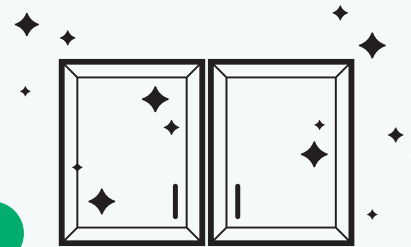

Deliver the doors and drawers to Kitchen Makeovers and pick up your "DIY Kitchen Makeovers Kit" to go home and paint your frame.

5

7-10 days later, pick up your professionally refinished doors and drawers from Kitchen Makeovers.

6

Reinstall your doors and drawers, step back and marvel at your handy work!

DIY EXPERT KIT

You uninstall and deliver your doors and drawers to us to be professionally refinished into a new colour, and we'll provide you with everything you need to brush and roll your frame yourself.

You pick up the doors and drawers once completed, and reinstall the kitchen on your own!

Who is this recommended for?

This option is for those comfortable with painting and using a drill.

DIY NOVICE KIT

We come and uninstall your doors and drawers and drop off the DIY Kitchen Makeovers Kit. You paint your frame, and we come back and install your professionally refinished doors and drawers.

Who is this recommended for?

This option is for those comfortable with painting only.

WHAT'S IN THE KIT?

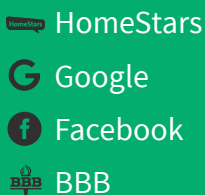

- ✓ Masking tape
- ✓ Sanding sponge
- ✓ Paint roller
- ✓ Stir sticks
- ✓ Painters tape
- ✓ Prep paper
- ✓ Paint roller tray
- ✓ Primer
- ✓ Sanding paper
- ✓ Gloves
- ✓ Paint roller sleeves x 2
- ✓ Top coat
